UNIGLOVES®
NITREX

Features

- Heavy duty flock lined latex gauntlet
- Chlorinated surface
- Ergonomically shaped
- Diamond textured grip pattern on palm
- Food approved
- Chemical resistance
- Beaded cuff

Benefits

- A heavy weight glove that will stand up to repeated use, rubbing and scrubbing with a soft cotton flock lining that absorbs perspiration, keeping hands cool and fresh
- Treated to harden the surface leaving it smooth to the touch
- The ergonomic design make the glove comfortable to wear for long periods and reduces hand fatigue
- Non slip diamond textured pattern on the palm provides confident grip
- Approved for use in food environments
- Resistant to a range of chemicals
- The beaded cuff adds additional strength to the material and prevents liquids from rolling back down the arm
